

Exit

Students Exist Survey Analysis

1. ICD 2018-19 batch

Total 535 students of ICD 2018-19 batch filled the exist survey. The exit survey questionnaire consists of 21 questions. Out of these 21 questions, first 18 questions are quantitative in nature and the responses are taken on 5-point Likert scale. Table 1 shows the responses of the ICD students on the first 18 questions.

Table 1: Responses of ICD 2018-19 batch

Question no.	Questions	Excellent 5	Very Good 4	Good 3	Satisfactory 2	Unsatisfactory 1
1	Academic content	257	182	63	15	18
2	Usefulness of teaching materials	241	178	91	14	11

2. Observations

The following observations can be drawn from the above table.

- i. 78% of the total students have rated academic content of ICD program as highly satisfactory (i.e., excellent, and very good).
- ii. 80% of the total students have graded usefulness of teaching materials adopted in ICD program as highly satisfactory (i.e., excellent, and very good).
- iii. 80% of the students have rated usefulness of study groups in furthering learning as highly satisfactory (i.e., excellent, and very good).
- iv. 78% of the students have reported timeliness of the practical work as highly satisfactory (i.e., excellent, and very good).
- v. 74% of the students have rated educative value of mid program placement as highly satisfactory (i.e., excellent, and very good).
- vi. 79% of the students have ranked the offering and seeking helpful feedback as highly satisfactory (i.e., excellent, and very good).
- vii. 79% students have rated fairness of evaluation as highly satisfactory (i.e., excellent, and very good).
- viii. 79% of the students have reported the interaction with faculty as highly satisfactory (i.e., excellent, and very good).
- ix. 79% of the students have graded interaction with administration as highly satisfactory (i.e., excellent, and very good).
- x. 83% of the students have rated library facilities as highly satisfactory (i.e., excellent, and very good).
- xi. 82% of the students have ranked computer facilities as highly satisfactory (i.e., excellent, and very good).
- xii. 80% of the students have rated internet connectivity as highly satisfactory (i.e., excellent, and very good).
- xiii. 78% of the students have graded the availability and accessibility of online educational resources as highly satisfactory (i.e., excellent, and very good).
- xiv. 78% of the students have rated the hostel facilities as highly satisfactory (i.e., excellent, and very good).
- xv. 77% of the students have ranked the recreational facilities as highly satisfactory (i.e., excellent, and very good).
- xvi. 83% of the students have graded the NS/NCC/Extracurricular activities as highly satisfactory (i.e., excellent, and very good).
- xvii. 80% of the students have ranked the sports/gymnasium facilities as highly satisfactory (i.e., excellent, and very good).
- xviii. 76 % of the students have ranked the social activities as highly satisfactory (i.e., excellent, and very good).

Note: The exit survey of ICD 2018-19 batch students rated the services offered by the institute as excellent. But, the institute needs to explore the reasons of low grading by few students and need to explore the corrective measures to make them satisfied.

Q19. Present Status (Tick Appropriate):

Table 2: Present status of students

S. No.	Present status	Response
1.	In Job (campus placement)	17
2.	Higher studies	384
3.	Self employed	97
4.	Others	37

The data in the above table shows that 71.7% of the students are registering for higher education i.e., B.Tech.

3. Observations

The following observations can be drawn from the above table.

[Handwritten signature]

[Handwritten signature]

[Handwritten signature]

[Handwritten signature]

- i. 80% of the total students have rated academic content of ICD program as highly satisfactory (i.e., excellent, and very good).
- ii. 78% of the total students have ranked usefulness of teaching materials adopted in UG program as highly satisfactory (i.e., excellent, and very good).
- iii. 81% of the students have graded the usefulness of study groups in furthering learning as as highly satisfactory (i.e., excellent, and very good).
- iv. 80% of the students have reported timeliness of the practical work as as highly satisfactory (i.e., excellent, and very good).
- v. 76% of the students have ranked the educative value of mid program placement as highly satisfactory (i.e., excellent, and very good).
- vi. 82% of the students have reported the offering and seeking helpful feedback as highly satisfactory (i.e., excellent, and very good).
- vii. 79% students have signified the fairness of evaluation as highly satisfactory (i.e., excellent, and very good).
- viii. 80% of the students have rated interaction with faculty as highly satisfactory (i.e., excellent, and very good).
- ix. 77% of the students have graded the interaction with administration as highly satisfactory (i.e., excellent, and very good).
- x. 83% of the students have ranked library facilities as highly satisfactory (i.e., excellent, and very good).
- xi. 81% of the students have signified computer facilities as highly satisfactory (i.e., excellent, and very good).
- xii. 76% of the students have reported the internet connectivity as highly satisfactory (i.e., excellent, and very good).
- xiii. 79% of the students have graded the availability and accessibility of online educational resources as highly satisfactory (i.e., excellent, and very good).
- xiv. 77% of the students have ranked the hostel facilities as highly satisfactory (i.e., excellent, and very good).
- xv. 77% of the students have rated the recreational facilities as highly satisfactory (i.e., excellent, and very good).
- xvi. 80% of the students have rated the NS/NCC/Extracurricular activities as highly satisfactory (i.e., excellent, and very good).
- xvii. 81% of the students have ranked the sports/gymnasium facilities as highly satisfactory (i.e., excellent, and very good).
- xviii. 83% of the students have rated the social activities as highly satisfactory (i.e., excellent, and very good).

The analysis of exit survey revealed that there is large number of students who are highly satisfied with the services offered by the institute. Further, it is suggested that steps may be taken to fill the gaps make the satisfaction level 100%.

Q19. Present Status (Tick Appropriate):

Table 4: Present status of students

S. No.	Present status	Response
1.	In Job (campus placement)	12
2.	Higher studies	286
3.	Self employed	65
4.	Others	28

The data in the above table shows that 73.1% of the students are registering their interest for higher education i.e., B.Tech.
