

Four Weeks Institutional/Industrial Training program On Advance Communication Technologies

July 01- July 28, 2022

Organized By

Department of Electronics and Communication Engineering
Sant Longowal Institute of Engineering & Technology
(Deemed to be University Under MoE, Government of India)
Longowal -148106, Dist. Sangrur (Punjab)

Coordinator(s)

Dr. Kundan Kumar Er. Vipul Singhal
Assistant Professor Assistant Professor

Contact Persons:

ABOUT THE INSTITUTE

Sant Longowal Institute of Engineering & Technology (SLIET), Deemed to be a university, has been established and funded by MoE, Government of India in 1991, to provide technical education in emerging areas of Engineering and Technology. The institute caters to the technical manpower requirements at various levels by adopting a concept of a modular system in imparting professional education with an emphasis on practical training in the industry. The study programs include various courses at certificate, diploma, B.E. M.Tech. and Ph.D. levels in different branches of engineering and technology. The institute has a sprawling area of 451 acres of land. Surrounded by lush green land, the campus of the institute extends a beautiful and well-developed area with many topographically featured picturesque landscapes.

INSTITUTE VISION

SLIET shall strive to act as an international podium for the development and transfer of technical competence in academics through formal and non-formal education, entrepreneurship, and research to meet the changing need of society.

INSTITUTE MISSION

- Non-formal, flexible, modular, multipoint entry programs in engineering and technology and in the areas like rural development, educational planning, information, and management sciences.
- Education and training in modern technology areas.
- Promotion of self-development among the students.
- Extension services to industry working population, passed-out students, social organizations, and institutions of research and higher learning.
- Close interface with the industry to conduct research on the basis of manpower requirements leading to integrated educational planning curriculum development and instructional material preparation in technology and interdisciplinary areas.
